Region select:

England

Login

Forgot your **Account Password?**

Don't have an account yet? **Sign up now**

Enter - **Pupil ID**

Enter - **Password**

Ensure you select the correct region which is **England**

Once the above has been selected/highlighted, left click on **login**.

At this point you may notice a pop up window requesting permission to open, if it does please allow.

If you do not get a pop up window just click on the **green** enter button.

As you are logging in at home you need to click on the **HOMEWORK** button.

You do not have the same functionality as what you have in school

Once the homework button is pressed, whatever homework has been set will appear.
