

## CHRISTMAS SHOEBOX APPEAL

A huge, huge thank you to those children and adults who donated to the shoebox appeal. We collected more than 80 shoeboxes! I am sure that there will be some very happy children in the world this Christmas. Your generosity is greatly appreciated. Miss Still.

### IMPORTANT

If your child suffers from Asthma, it is vital that they have an asthma pump in school at all times especially now the weather conditions have changed

### E-Safety Tip:

Activate the parental controls on your home broadband, and any devices including mobile phones and games consoles. If using Google then set up the Safe Search settings as well as on other sites such as YouTube and on entertainment sites like iTunes and iPlayer

## YEAR 5 VISIT TO THE METHODIST CHURCH

On Thursday Year 5 children visited Langdon Hills Methodist Church where they were welcomed by Reverend Dr Marion Cole. Children learned about the history of the Methodist Church and the role of the Church and the Minister in the local community. The behaviour was excellent as always.
