Matilda by Roald Dahl

Matilda is a very kind hearted book loving little girl - she is gifted and intelligent and even taught herself how to read. Matilda is neglected by her parents who are oblivious to her “super powers” where she can move objects with her mind. A moving, funny story for all the family.

Well done to Freya (Year 5) who spent an hour of her Sunday morning picking up litter on Worthing Road. Freya was very upset by the amount of litter she could see and how dangerous some of it is for the wildlife.

Tag Rugby

On Friday 9th February 2024, we ventured to JHS to play our final league matches. As we were already top of the league it was ours to lose. We played Willows and Great Berry who we beat 14-3 and 17-2 respectively and we were crowned league champions with the players receiving their gold medals in a ceremony at the end.

It was great to end our league campaign with two convincing wins both with great all round team performances. Next stop, County Finals on Wednesday!

This week our Head boy and Head girl went to St. Mary's primary school in South Woodham Ferrers. They delivered a fantastic presentation about knife crime to other head boys and head girls of the academy. The pupil voice meeting was very informative and discussions were also focused on internet safety as well.

Our head boy and head girl will be delivering the same presentation to our pupil parliament members in the next meeting.

Well Done!

Get Set 4
Education

What you need: six socks and two pots

How to play:

- Players have one pot each that they place 6m apart. Place six socks in the centre.
- Players start at their pot and run to the middle, taking one sock back to their pot. Continue until there are no socks left in the middle, then run to your opponents pot to collect one sock at a time.
- Who is the first to have 5 socks in their pot?
- Playing by yourself? From a pile of socks 6m away, how many can you get into your bucket in 1 minute?

Top tip: take small steps so that you can change direction quickly.
