Dear Parents/Carers.

It has been really nice for Years 5 and 6 to be back on the school site. We have really enjoyed seeing everyone together again.

This week each class has worked together to create their own wreath for Remembrance Day, these have been displayed on the school gates. It has been lovely to see the hard work that the children and staff have put in to create their wreaths.

I wish you all a restful weekend.

Take care,

Mrs Robinson

IMPORTANT

Due to the current situation, children will have limited access around school. Children will not have access to the playgrounds and will only be allowed on the field at break and lunchtime. We ask that your child brings in a spare pair of shoes for outdoor play which will stay in school for the time being. You may also wish to send them with a spare pair of socks.

On Friday 10th November the children held a 2 minute silence for Remembrance Day. Each class has been learning about the significance of the word remembrance and why we remember every year on the 11th day of the 11th month.

You will have seen that the gates outside school have been decorated with poppy wreaths designed by each class.

Head boy and Head girl ran a competition whereby they chose a winner out of the 19 classes. I am happy to report that Sycamore Class won the best wreath! Well done to all of the children and adults that have participated in Remembrance Day at Merrylands.

Tag Rugby Tournament—02.11.23

It was an another great afternoon for the Merrylands Primary School Tag Rugby team.

The team were totally focused and ready to go from the off. In a dominant performance they won their first match, 13 tries scored with only 3 against.

In the 2nd match Great Berry A were our opponents. Merrylands produced another dominant effort and won again, 10 tries scored with only 2 against.

Luckily Mrs Vasian was with me to keep the score this time!

Transport Dance

How to Play:

Explore the following actions for each method of transport:

- · cars: jog, holding arms up as if steering around the area. Use big exaggerated movements using lots of space and different pathways. Turn your wheel to change
- train: march around making a circling motion with the arms, elbows bent. High knees and big arm circles.
- planes: fly/soar, jog around with arms spread out wide for wings. Vary the level used by flying high and low.

Create a dance using each of the different methods of transport. Use counts of 8 to help you stay in time with your chosen music.
